### 2012 International Swimming Pool and Spa Code Commentary (International Code Council Series) By International Code Council

Experience the power of the International Code Council's Code Commentary series! The INTERNATIONAL SWIMMING POOL CODE COMMENTARY takes the first comprehensive swimming pool code and pairs it with detailed commentaries that explore its practical applications. These commentaries investigate the historical context for the code, the rationale that drives many of its requirements, its implications in real-world settings, and the potential consequences when it is not followed properly. Coverage includes the design, installation and inspection of aquatic facilities, based on the current ANSI (APSP) standards, technology, and code provisions. The end result: an innovative tool that you can use to advance your understanding of the 2012 International Swimming Pool Code. Check out our app, DEWALT Mobile Pro™. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons.
