A Song of Ice and Fire - Premium Limited Edition (Set of 7 Books) By George R. R. Martin

NOW A NEW, ORIGINAL SERIES FROM HBO!

This audiobook bundle includes the first five books in the Song of Ice and Fire series from George R. R. Martin. Tony Award winner Roy Dotrice narrates this stellar collection. Collection includes *A Game of Thrones* (HBO Tie-in Edition), *A Clash of Kings* (HBO Tie-in Edition), *A Storm of Swords*, *A Feast for Crows*, and *A Dance with Dragons*.

A Game of Thrones: Book One

Long ago, in a time forgotten, a preternatural event threw the seasons out of balance. In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the north of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens.

A Clash of Kings: Book Two

A comet the color of blood and flame cuts across the sky. Two great leaders—Lord Eddard Stark and Robert Baratheon—who hold sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. It is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel...and the coldest hearts. For when kings clash, the whole land trembles.

A Storm of Swords: Book Three

Of the five contenders for power, one is dead, another in disfavor, and still the wars rage as violently as ever, as alliances are made and broken. Joffrey, of House Lannister, sits on the Iron Throne, the uneasy ruler of the land of the Seven Kingdoms. His most bitter rival, Lord Stannis, stands defeated and disgraced, the victim of the jealous sorceress who holds him in her evil thrall. But young Robb, of House Stark, still rules the North from the fortress of Riverrun. Robb plots against his despised Lannister enemies, even as they hold his sister hostage at King's Landing, the seat of the Iron Throne. Meanwhile, making her way across a blood-drenched continent is the exiled queen, Daenerys, mistress of the only three dragons still left in the world. . . As the future of the land hangs in the balance, no one will rest until the Seven Kingdoms have exploded in a veritable storm of swords. . .

A Feast for Crows: Book Four

It seems too good to be true. After centuries of bitter strife and fatal treachery, the seven powers dividing the land have decimated one another into an uneasy truce. Or so it appears. . . . With the death of the monstrous King Joffrey, Cersei is ruling as regent in King's Landing. Robb Stark's demise has broken the back of the Northern rebels, and his siblings are scattered throughout the kingdom like seeds on barren soil. Few legitimate claims to the once desperately sought Iron Throne still exist—or they are held in hands too weak or too distant to wield them effectively. The war, which raged out of control for so long, has burned itself out. For at a feast for crows, many are the guests—but only a few are the survivors.

A Dance with Dragons: Book Five

In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind.

From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all.

Editorial Review

Review

Praise for George R. R. Martin and A Song of Ice and Fire

“One of the best series in the history of fantasy.”—*Los Angeles Times*

“Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—*The New York Times*

“The only fantasy series I’d put on a level with J.R.R. Tolkien’s *The Lord of the Rings* . . . It’s a fantasy series for hip, smart people, even those who don’t read fantasy.”—*Chicago Tribune*

“Martin amply fulfills the first volume’s promise and continues what seems destined to be one of the best fantasy series ever written.”—*The Denver Post*, on *A Clash of Kings*

“Martin has produced—is producing, since the series isn’t over—the great fantasy epic of our era. It’s an epic for a more profane, more jaded, more ambivalent age than the one Tolkien lived in.”—**Lev Grossman**, *Time*

“Addictive . . . George R. R. Martin has created the unlikely genre of the realpolitik fantasy novel.”—*Rolling Stone*, on *A Feast for Crows*

“Epic fantasy as it should be written: passionate, compelling, convincingly detailed and thoroughly imagined.”—*The Washington Post*, on *A Dance with Dragons*

“I always expect the best from George R. R. Martin, and he always delivers.”—**Robert Jordan**
