### Apprentice to the Masters: Adventures of a Western Mystic, Part II (Volume 2) By Peter Mt. Shasta

The latest revised edition of the true story of encounters with Ascended Masters, enlightened beings known in the East as Bodhisattvas, who have attained the Rainbow Body, yet who can and do appear in whatever form needed to assist humanity. Here are the adventures of an individual as the Masters bring him face to face with his own Higher Self—the I AM Presence. The Master known as Saint Germain materialized in a physical body before Peter Mt. Shasta, changing his life forever. Although offered liberation, he chose to remain and serve the Masters in their mission of preparing humanity for the coming changes. Saint Germain sent him to a woman in Mount Shasta by the name of Pearl for spiritual instruction in contacting his Higher Self, receiving Its guidance, and bringing It into action in the outer world. His training led him not only to inner spiritual retreats, but also into the world of business and film making in Hollywood--where he encountered many tests and trials that forced him to apply the Masters' teachings. "Time and again the Masters force him to integrate the profoundest spiritual teachings into daily human life—often with hilarious and/or poignant results." —from the Foreword by Carl Marsak

Peter Mt. Shasta traveled extensively in India in the 70s, spending time with Ram Dass, Maharajji, Sathya Sai Baba, Anandamayi Ma and other saints. He also studied with the Tibetan Lamas, Trungpa Rinpoche and Chagdud Rinpoche. On his return to the West, Saint Germain materialized before him in Muir Woods, near San Francisco, and told him to go to Mount Shasta for further training. There he was brought into contact with Pearl Dorris, a former assistant to Godfre Ray King (author of Unveiled Mysteries, The Magic Presence, and the "I AM" Discourses), and head of the San Francisco "I AM" Sanctuary. Through Pearl, he was given advanced training in the I AM teachings to prepare him for service to the Ascended Masters. He has recently published a biography of this remarkable woman, Lady Master Pearl, My Teacher.
