Editorial Review

Review

"This is an invaluable resource and guide for any student, trainee, or practitioner involved in the field of interventional cardiology. It is written by leading experts and is a must-have for dealing with everyday clinical problems, such as complex anatomy. The information and techniques are comprehensive and up to date. The figures, animations, and videos are regularly updated in the online library so readers can stay current. This is an excellent addition to the Braunwald's Heart Disease family of books." **Reviewed by** Parham Parto, MD, MPH (Ochsner Clinic Foundation) Doody's Score" 92 – 4 Stars!

Users Review
