### **Learn How to Quickly Solve Difficult CLEP Test Questions**

Here's a little "secret" about the CLEP test: the CLEP test is what we in the test preparation field call a "content driven" test.

While some tests are looking to see what you are ABLE to learn, the purpose of the College Level Examination Program (CLEP), offered by the College Board, is to test your understanding of what you have already learned. The goal of the CLEP test is to use a standardized testing process to create an objective assessment of a test taker's knowledge and skills.

In other words, it's more about **what you know** than your ability to solve clever puzzles. This is good news for those who are serious about being prepared, because it boils down to a very simple strategy:

**You can succeed on the CLEP test by learning critical concepts on the test so that you are prepared for as many questions as possible.**

Repetition and thorough preparation is a process that rewards those who are serious about being prepared, which means that succeeding on the CLEP test is within the reach of virtually anyone interested in learning the material.

This is great news! It means that if you've been worried about your upcoming CLEP test, you can rest easy IF you have a good strategy for knowing what to study and how to effectively use repetition to your advantage.

But it also creates another set of problems.

If you tried to memorize every single possible thing you can for the CLEP test, the field of possible things to review would be so huge that you could not hope to cover everything in a reasonable time.

That's why we created the ***CLEP Exam Flashcard Study System***: we have taken all of the possible topics and reduced them down to the **hundreds of concepts you must know** and provided an easy-to-use learning method to guarantee success on the CLEP test.

We wanted this system to be simple, effective, and fast so that you can succeed on your CLEP test with a minimum amount of time spent preparing for it. --

- We use a font created by Microsoft to make reading easier- this will enable you to absorb more information painlessly during late night study sessions

- It's easy for a friend to help you study- they don't even have to know anything about the CLEP test- if they can read, then they can quiz you with our flashcards.

Now, let us explain what the ***CLEP Exam Flashcard Study System*** is not. It is not a comprehensive review of your education, as there's no way we could fit that onto a single set of flashcards.

Don't get us wrong: we're not saying that memorization alone will automatically result in a passing CLEP test score- you have to have the ability to apply it as well. However, without the foundation of the core concepts, you cannot possibly hope to apply the information. After all, you can't apply what you don't know.

***CLEP Exam Flashcard Study System*** is a compilation of the **hundreds of critical concepts you must understand to pass the CLEP test**. Nothing more, nothing less. --

If you think there's even the smallest chance that these flashcards will help you, you owe it to yourself to try them out. Don't let fear or doubt stand in the way of your opportunity to achieve the test score you need to fulfill your dreams.
