Seedfolks By Paul Fleischman

A vacant lot, rat-infested and filled with garbage, looked like no place for a garden. Especially to a neighborhood of strangers where no one seems to care. Until one day, a young girl clears a small space and digs into the hard-packed soil to plant her precious bean seeds. Suddenly, the soil holds promise: To Curtis, who believes he can win back Lateesha's heart with a harvest of tomatoes; to Virgil's dad, who sees a fortune to be made from growing lettuce; and even to Maricela, sixteen and pregnant, wishing she were dead.

Thirteen very different voices and perspectives—old, young, Haitian, Hispanic, tough, haunted, and hopeful—tell one amazing story about a garden that transforms a neighborhood.

Chosen as a state and citywide read in communities across the country, including in Vermont; Racine, WI; Tampa, FL; Newburgh, NY; and Boca Raton, FL.

Supports the Common Core State Standards
