The Gun Seller By Hugh Laurie

Hugh Laurie concocts an uproarious cocktail of comic zingers and over-the-top action in this "ripping spoof of the spy genre" (*Vanity Fair*) -- the irresistible tale of a former Scots Guard-turned-hired gun, a freelance soldier of fortune who also happens to be one heck of a nice guy.

Cold-blooded murder just isn't Thomas Lang's cup of tea. Offered a bundle to assassinate an American industrialist, he opts to warn the intended victim instead -- a good deed that soon takes a bad turn. Quicker than he can down a shot of his favorite whiskey, Lang is bashing heads with a Buddha statue, matching wits with evil billionaires, and putting his life (among other things) in the hands of a bevy of femmes fatales. Up against rogue CIA agents, wannabe terrorists, and an arms dealer looking to make a high-tech killing, Lang's out to save the leggy lady he has come to love...and prevent an international bloodbath to boot.

Editorial Review

Amazon.com Review

British actor and comedian Hugh Laurie's first book is a spot-on spy spoof about hapless ex-soldier Thomas Lang, who is drawn unwittingly and unwillingly into the center of a dangerous James Bond-like plot of international terrorists, arms dealing, high-tech weapons, and CIA spooks. You may recall having seen Laurie in the English television series *Jeeves and Wooster*; Laurie played Bertie Wooster, the clumsy hero of the P.G. Wodehouse comic novels that originated those characters. The lineage from Wodehouse's Wooster to Laurie's Lang is clear, and, if you like Wodehouse, you'll probably love *The Gun Seller*.

From School Library Journal

YA. A delightful first novel by the British actor, comedian, and author of the television series "A Bit of Fry and Laurie." In this spoof (of sorts) of the spy genre, Laurie's appealing turns of phrase will grab readers from the first paragraph. Thomas Lang, formerly of the Scots Guard and currently a freelance bodyguard/man for hire, is offered an assassination job. He indignantly refuses, attempts to warn the victim, and is soon embroiled in undercover work for the British government, CIA operatives, arms dealers, and terrorists. Those who enjoy action or spy novels will be swept along in the events. Although somewhat convoluted, the plot is so punctuated with bursts of sly humor that readers won't mind a bit of confusion. The author pokes gentle, good-natured fun at the foibles and characteristics of British and Americans alike, as well as his hero, bureaucrats, terrorists, diplomats, and just about everyone else. In a tone reminiscent of Lawrence Sanders's "McNally" series (Putnam), the light, frothy humor is infectious. A quick read, with an engaging, capable hero and lots of plot twists, for YAs looking for something pleasantly different.?Carol DeAngelo, formerly at Fairfax County Public Library, VA

From Library Journal

Thomas Lang is not exactly James Bond. He has military training and has done some bodyguard work, but on the whole he doesn't care to work too hard. When he is offered a contract on the life of a wealthy London businessman, not only does he turn down the offer, but he attempts to warn the "target" of his danger. This embroils him in a wild plot involving a notorious arms dealer, renegade CIA bigwigs, and a prototype for a military helicopter. There is mystery, intrigue, sex, and violence, all of which Lang tosses off with sarcastic wit and remarkable poise. Laurie's humor hits home. Although the subject is serious, even plausible, much of this comedy-thriller is laugh-out-loud funny and very readable. Highly recommended.?Joanna M. Burkhardt, Univ of Rhode Island Coll. of Continuing Education Lib., Providence
