Editorial Review

Review

“What a valuable book! *The Instant Millionaire* is deceptively simple. Yes, it points out essential strategies, familiar to so many: boldness, clarity of vision, and tapping the limitless power of our thoughts. But there is also a wealth of tactical detail, canny observation, and subtle perspective in these pages. It's worth reading a second time, and a third — carefully, and with a blank notebook at hand. There is serious gold in these words.”

— **John David Mann**, coauthor of the national bestseller *The Go-Giver*

“A delightful book to read and reread, *The Instant Millionaire* percolates with insight on reaching your true potential.”

— **Wess Roberts**, author of *Leadership Secrets of Attila the Hun*

“Astounding...a simple, compelling book that raises a series of powerful questions.”

— *Success* magazine

“Loaded with very specific advice that opens the doors to both financial success and personal well-being.”

— *Stepping Up* magazine
