Boring Girls By Sara Taylor

A visceral story of friendship, music, and bloody revenge

Rachel feels like she doesn't fit in — until she finds heavy metal and meets Fern, a kindred spirit. The two form their own band, but the metal scene turns out to be no different than the misogynist world they want to change. Violent encounters escalate, and the friends decide there's only one way forward . . .

A bloodstained journey into the dark heart of the music industry, *Boring Girls* traces Rachel's deadly coming of age, Fern at her side. As the madness deepens, their band's success heightens, and their taste for revenge grows ravenous.

Editorial Review

Review

“One of the spring’s most intriguing debut novels, about a pair of female metalheads, begins thusly: ‘It seems like everyone I talk to wants to know two things. One is whether I’m a serial killer or a mass murderer.’” — *Globe and Mail*

“An incredibly honest, cogent and disturbing portrayal of what it is like to be a woman working in a male-dominated scene and art . . . *Boring Girls* is a bloody, vulgar, violent book that pulls no punches . . . it’s a harrowing read.” — *National Post*

“One of the season’s most anticipated books, *Boring Girls* is anything but boring.” — *Owen Sound Sun-Times*

“A gripping psychological portrait and riveting tale of female friendship and the power of music.” — *Publishers Weekly*

“This one is for metal fans, who typically have strong stomachs (they eat lizards, don’t they?).” — *Booklist*

“What an incredibly disturbing book this was. I think I loved it.” — *The Armchair Librarian*

“This book was AWESOME! . . . it was dark, extreme, intense, and twisted.” — *Wicked Reads*

“A mind-numbingly disturbing psychological thriller that chills you to the core . . . I am yet to read a more disquieting, spot-on exploration of a deranged, lethally unpredictable human psyche.” — *Evie Bookish*

“Raising your eyes from the final page, you feel a bit like you’ve just come out of a violent mosh pit at a death metal show . . . But the experience, the journey, was intense, taking you into a part of yourself you don’t often go to, and it was definitely NOT boring.” — *Steff Metal*

About the Author

Sara Taylor sings and writes songs for the Billboard-charting band The Birthday Massacre. She lives in Toronto, Ontario, with her Shetland sheepdog.

Users Review

From reader reviews:

Alvaro Holloway:
