Editorial Review

From Library Journal

An assassin and the royal child he has been hired to kill form an unlikely and unstable alliance as the plots of human sorcerers, elven pirates, and dwarf revolutionaries threaten to overwhelm the airborne kingdoms of Arianus. Long-time collaborators Weis and Hickman ("The Darksword" trilogy; "The Rose of the Prophet" trilogy) have embarked on their most ambitious project to date in this first of a projected seven-volume cycle. The authors' combined talents for innovative world-building and sympathetic characterizations find ample outlet in this epic fantasy. Recommended for most libraries.
