**Rich Dad's Increase Your Financial IQ: Get Smarter with Your Money** By Robert T. Kiyosaki

Many of our global economic problems started in 1971...when President Richard Nixon took the U.S. off the gold standard. Throughout history, when a government went off the gold standard, an age of turbulence began.

In 1997, Robert's book *Rich Dad Poor Dad* stunned readers stating, "Your house is not an asset." As howls of protest went up around the world, the book went on to become an international bestseller and the #1 personal finance book of all time.

*Rich Dad Poor Dad* is not a book on real estate. It is a book about the importance of financial education. *Rich Dad Poor Dad* was written to prepare you and your loved ones for the financial turbulence Robert's rich dad saw coming.

In 2007, as homes declined in value or were lost to foreclosure, millions of homeowners painfully discovered the wisdom of words of Robert's rich dad. Today we are all aware that a home can be a liability. Today we know a home can go up or down in value. Today, we all know a person can lose money investing in the stock market. Today we all know our money can go down in value and that even savers can be losers.

*This is why financial intelligence is more important today than ever before. In a world of financial turbulence, your best asset is financial IQ.*

### Editorial Review

#### About the Author

Robert Kiyosaki

Best known as the author of Rich Dad Poor Dad—the #1 personal finance book of all time—Robert Kiyosaki has challenged and changed the way tens of millions of people around the world think about money. He is an entrepreneur, educator, and investor who believes the world needs more entrepreneurs. With perspectives on money and investing that often contradict conventional wisdom, Robert has earned an international reputation for straight talk, irreverence, and courage and has become a passionate and outspoken advocate for financial education.

One of many in the Rich Dad series, Kiyosaki's abridged pep talk about financial wellness is a rapid read as narrated by Dave Mallow. Speaking with gusto, Mallow evokes the entrepreneur in everyone with rapid sentences that are targeted towards action. The summaries at the end of each chapter are read more slowly, allowing the reader to process the sometimes detailed information. In the bulk of the discussion Mallow moves between financial explanations and personal anecdotes in a warm and understanding tone. In addition to the summaries, each chapter ends with thinking points, some of which are worded to incite the reader to action. The smooth delivery helps make contemplating major financial decisions less daunting. M.R. © AudioFile 2008, Portland, Maine-- *Copyright © AudioFile, Portland, Maine*
