Sunset Park (Spanish Edition) By Paul Auster

Miles Heller tiene veintiocho años, y a los veinte desanudo los lazos que lo unian al mundo que hasta entonces habia conocido. Ahora vive en Florida y trabaja para una empresa que se encarga de vaciar las viviendas de los desahuciados que en plena crisis no pudieron seguir pagando su hipoteca. Y saca fotos de todas las cosas abandonadas, registra las huellas de esas vidas dispersas. No tiene ambiciones; sus unicos lujos son los libros y la camara digital con la que documenta a los fantasmas. Y habria seguido asi de no haber sido por una chica, Pilar Sanchez, menor de edad. Y como Miles puede ir a la carcel por esa relacion, vuelve a Nueva York para esperar alli la mayoria de edad de la joven. Es un retorno al pasado y a sus secretos, a la comunidad de Sunset Park y a sus companeros okupas. / Miles Heller is 28, he lives in Florida and works for a company that is responsible for emptying the homes of the evicted. He takes photos of all the abandoned things, recording the footprints of these scattered lives. He has no ambition and his only luxuries are his books and his digital camera. He would have gone on like this had it not been for a girl, Pilar Sánchez, who is underage. Miles goes back to New York to wait until the young girl turns 18. This is a return to his past and to his secrets, to the community of Sunset Park and his fellow squatters

The book Sunset Park (Spanish Edition) has a lot info on it. So when you check out this book you can get a lot of help. The book was authored by the very famous author. The writer makes some research just before write this book. That book very easy to read you will get the point easily after perusing this book.

Ryan Walker:

Do you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't judge book by its protect may doesn't work is difficult job because you are frightened that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer could be Sunset Park (Spanish Edition) why because the great cover that make you consider with regards to the content will not disappoint you. The inside or content is actually fantastic as the outside or cover. Your reading 6th sense will directly guide you to pick up this book.

Keely Charles:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Sunset Park (Spanish Edition) can make you sense more interested to read.
