**The Broken Kingdoms (The Inheritance Trilogy)** By N. K. Jemisin

In the city of Shadow, beneath the World Tree, alleyways shimmer with magic and godlings live hidden among mortalkind. Oree Shoth, a blind artist, takes in a strange homeless man on an impulse. This act of kindness engulfs Oree in a nightmarish conspiracy. Someone, somehow, is murdering godlings, leaving their desecrated bodies all over the city. And Oree's guest is at the heart of it. . .

## Editorial Review

From Publishers Weekly

Starred Review. New authors often falter when following up on a noteworthy debut, but Jemisin proves more than up to the challenge. A decade after the events of March 2010's *The Hundred Thousand Kingdoms*, artist Oree, blind to reality but able to see magic, sells trinkets to tourists in Sky, a city filled with supernatural entities and happenings in a world slowly emerging from doctrinaire authoritarianism. After she discovers the corpse of a murdered godling, Oree is pursued both by fanatic religious officials looking for scapegoats and by the ruthless conspirators behind the murder. Hesitant, impoverished Oree is very different from Jemisin's previous heroine, politician–princess Yeine, and she proves just as compelling as she investigates the murder and her own mysterious heritage. Returning fans will especially appreciate certain details, but this novel stands on its own and is worth reading purely for its own strengths. (Nov.) (c)

From [Bookmarks Magazine](#)

In *The Broken Kingdoms*, N. K. Jemisin expands her worldview from the Arameri Palace of *The Hundred Thousand Kingdoms* to include the richly drawn tapestry of Shadow, introducing new and interesting characters and layering plot to build anticipation for the trilogy's finale. Critical consensus deems *The Broken Kingdoms* even better than its predecessor—unusual for the middle book of a trilogy—and Jemisin, who had previously published short fiction, is poised to make a name for herself in fantasy circles (evidenced as well by Hugo and Nebula nominations). Although *The Broken Kingdoms* works as a stand-alone novel, readers familiar with the first book will recognize and appreciate Jemisin's deftly constructed world. Readers new to the series, however, may wish to start with the first book.

Review

The very best kind of sequel: as lush and evocative and true as the first, with all the same sense of mystery, giving us the world and characters we already love, and yet with a new story and a wonderfully new perspective on the whole dazzling world and pantheon the author has built Naomi Novik A fresh new series ... with a unique edge and a different voice ... flowing, almost poetic prose ... Jemisin is on the path to becoming a big name in fantasy fiction SciFiNow This is a book that readers won't be able to put down ... A magnificent novel and one of the best books this reviewer has read this year ROMANTIC TIMES Intense, epic, and involving i09.com

## Users Review

From reader reviews:

**Guadalupe Winn:**

Book is actually written, printed, or illustrated for everything. You can recognize everything you want by a guide. Book has a different type. As you may know that book is important point to bring us around the world. Beside that you can your reading expertise was fluently. A publication *The Broken Kingdoms (The Inheritance Trilogy)* will make you to be smarter. You can feel more confidence if you can know about every little thing. But some of you think in which open or reading any book make you bored. It is not make you fun. Why they are often thought like that? Have you in search of best book or ideal book with you?

**Alan Coleman:**

What do you think of book? It is just for students since they are still students or the item for all people in the world, what the best subject for that? Just simply you can be answered for that issue above. Every person has several personality and hobby for every single other. Don't to be compelled someone or something that they don't want do that. You must know how great along with important the book *The Broken Kingdoms (The Inheritance Trilogy)*. All type of book can you see on many methods. You can look for the internet solutions or other social media.

**Margaret Calderon:**

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider when those information which is inside former life are difficult to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take *The Broken Kingdoms (The Inheritance Trilogy)* as the daily resource information.

**David Black:**

Your reading sixth sense will not betray you, why because this *The Broken Kingdoms (The Inheritance Trilogy)* book written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written throughout good manner for you, dripping every ideas and creating skill only for eliminate your hunger then you still skepticism *The Broken Kingdoms (The Inheritance Trilogy)* as good book not merely by the cover but also by content. This is one guide that can break don't ascertain book by its deal with, so do you still needing another sixth sense to pick this!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.
