### Dance with the Devil By Megan Derr

Even in a world of secrets and misfits, Chris stands apart, an unusual product of black magic that left him born half-ghost. Long used to being bullied and maligned for his strangeness, he spends his days helping the paranormals that everyone else forgets about.

The people he hunts and the mysteries he solves take him along unusual paths, many of them dangerous. But Chris has never been a fan of running from a fight—even the fight that takes him to the door of the most dangerous man in the city.
