I'll Be There By Holly Goldberg Sloan

Emily Bell believes in destiny. To her, being forced to sing a solo in the church choir--despite her average voice--is fate: because it's while she's singing that she first sees Sam. At first sight, they are connected.

Sam Border wishes he could escape, but there's nowhere for him to run. He and his little brother, Riddle, have spent their entire lives constantly uprooted by their unstable father. That is, until Sam sees Emily. That's when everything changes.

As Sam and Riddle are welcomed into the Bells' lives, they witness the warmth and protection of a family for the first time. But when tragedy strikes, they're left fighting for survival in the desolate wilderness, and wondering if they'll ever find a place where they can belong. Beautifully written and emotionally profound, *I'll Be There* is a gripping story that explores the complexities of teenage passions, friendships, and loyalties.

Editorial Review

Review

*** (STAR REVIEW) -- This riveting story will keep readers interested and guessing until the end. --**

SCHOOL LIBRARY JOURNAL: MAY 1 2011

About the Author

Holly Goldberg Sloan, the acclaimed author of I'll Be There, has worked as an advertising copywriter and a writer and director of feature films. She lives in Santa Monica, California.

Laura Jennings believes her place as a narrator is to be the facilitator for all the nuances of the spoken word and the written word between the author and the listener. Her naturally clear and fresh voice as narrator contributes that extra dimension of enjoyment. Laura works full time as a professional narrator and voice-over artist. She enjoys a quiet lifestyle in the Pacific Northwest with her loving husband and aged beagle, Dottie.

Users Review

From reader reviews:

David Guyton:

The publication untitled I'll Be There is the book that recommended to you to study. You can see the quality of the e-book content that will be shown to you actually. The language that publisher use to explained their ideas are easily to understand. The article author was did a lot of study when write the book, therefore the information that they share to you personally is absolutely accurate. You also could possibly get the e-book of I'll Be There from the publisher to make you considerably more enjoy free time.

Adria Jenkins:

A lot of people always spent their free time to vacation or perhaps go to the outside with them family or their friend. Do you know? Many a lot of people spent many people free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity honestly, that is look different you can read a book. It is really fun for you personally. If you enjoy the book you read you can spent the whole day to reading a book. The book I'll Be There it doesn't matter what good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. In the event you did not have enough space to develop this book you can buy typically the e-book. You can more quickly to read this book through your smart phone. The price is not too expensive but this book features high quality.

Linda Amato:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to presently there but

nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this I'll Be There can make you sense more interested to read.

Angela Kiefer:

Many people said that they feel fed up when they reading a reserve. They are directly felt it when they get a half regions of the book. You can choose typically the book I'll Be There to make your current reading is interesting. Your own skill of reading skill is developing when you just like reading. Try to choose very simple book to make you enjoy to study it and mingle the impression about book and studying especially. It is to be 1st opinion for you to like to available a book and examine it. Beside that the e-book I'll Be There can to be a newly purchased friend when you're sense alone and confuse using what must you're doing of their time.
