**Lowe's Transport Manager's and Operator's Handbook 2014** By David Lowe, Clive Pidgeon

This best-seller for busy fleet operators, now in its 44th edition, provides essential information and advice on transport legislation, technical standards and goods vehicle operations. Lowe's Transport Manager's and Operator's Handbook is a truly comprehensive guide to the legal, operational and environmental factors that are of the utmost importance in today's road transport industry - including professional competence, working times and driving hours rules, speed cameras and penalties, the international road haulage market, and drugs testing for drivers. The Handbook is the essential reference source for any transport manager, fleet operator, owner-driver haulier or student with an involvement in the industry.
