Editorial Review

Review

“In this scholarly but immensely readable book Matt Cook explores the domestic interiors of homosexual men at various times from the end of the 19th century to the onset of AIDS and the acceptance of gay parenting. ... Cook has managed to capture the heart of the home of these gay men and brings a new insight into gendered domestic interiors, making a firm contribution to the history of homosexuality.” (Julie Peakman, *History Today*, Vol. 64 (12), December, 2014)
