## **Routes for Excellence in Restorative Dentistry: Mastery for Beginners and Experts** By Luiz Narciso Baratieri, Sylvio Monteiro Junior

Although true mastery in restorative dentistry requires a lifetime of learning and improvement, this two-volume compendium distills many essential clinical insights for the student clinician who is learning the craft of restorative dentistry. Envisioned as a comprehensive clinical textbook, this book elucidates the fundamental concepts of restorative dentistry and illustrates procedures step-by-step to ensure precision in esthetics, biomechanics, and function. The authors provide an up-to-date review of direct and indirect restorative techniques and cover the most important protocols used in daily clinical practice. As the name Routes suggests, there are many different ways to approach restorative treatment, and this book will prepare clinicians to successfully navigate treatment options and the complexity of dental restoration to attain excellence in their clinical practice.
