The Goblin War By Hilari Bell

Tobin has finally crossed back from the Otherworld, where he was trapped in mortal peril for months—only to be captured by the dreaded, bloodthirsty barbarians the moment he enters his own Realm. Meanwhile, the pretty hedgewitch Makenna and her legion of goblins are still trying to find a way out of the Otherworld before it fatally drains their magic and life force. To escape, they will need help from the spirits that live there—but that aid will not come freely.

Now the barbarians are out to take over the Realm, and only Makenna, Tobin, and his younger brother, Jeriah, know what is needed to stop them. They'll need to work together—and with the goblins—to formulate a plan. The answer lies with the Otherworld spirits and also with the blood amulets that give infinite power to the barbarians. The question is: Can they band together and save the Realm in time?

In Hilari Bell's thrilling finale of the Goblin trilogy, alliances are once again tested, and the fate of the entire kingdom rests in the hands of some unexpected heroes. Readers will relish this epic's intricate politics, high adventure, and intensely satisfying conclusion.
