The Hospital for Sick Children Handbook of Pediatrics, 11e By Anne I. Dipchand MD FRCPC, Jeremy N. Friedman MB ChB FRCPC FAAP, Sumit Gupta MD, Zia Bismilla MEd MD FRCPC, Catherine Lam MD

The new edition of The Hospital for Sick Children Handbook of Pediatrics offers the most current diagnostic and therapeutic approaches to pediatric clinical problems. This practical pocket-size guide provides succinct, easily accessible, and evidence-based answers for the diagnosis and management of pediatric patients, spanning primary to quaternary care. Designed to be the essential pediatric reference for use in any health care setting, the 11th edition provides practical, algorithmic, and system-based approaches to a wide range of pediatric scenarios. Written by residents, physicians, and specialists from one of the world's top pediatric health care centers, this unique pediatric reference is used by medical students, residents, practicing pediatricians, family physicians, emergency physicians, nurses, and other interdisciplinary practitioners.

- A convenient, pocket-sized design allows for quick reference
- Provides the most up-to-date diagnostic and therapeutic approaches to pediatric clinical problems using evidence-based guidelines
- Information for urgent situations is readily accessible and comprehensive
- All important normal reference values are included throughout the Handbook for various ages and sizes of pediatric patients
- Abundant algorithms for bedside diagnoses and management of various scenarios
- Listings of key Web sites and Further Readings allow users to research important information further
- Comprehensive 6-chapter Acute Care section covers key pediatric emergencies
- Up-to-date Pediatric Advanced Life Support (PALS) algorithms
- Resuscitation drugs featured on inside back cover for easy access
- Common equations and normal vital signs featured on inside front cover for quick reference
- New and revised coverage on substance abuse, psychiatric emergencies, and acute presentation of eating disorders
- New chapters include: Diagnostic Imaging and Interventional Radiology,

Immunoprophylaxis, and Child Maltreatment

- Free and fully searchable online access to the full contents of the book

Website access will be provided until the next edition is published, or until the current edition is no longer offered for sale by Elsevier.

Editorial Review

Users Review

From reader reviews:

Rhonda Robitaille:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their free time with their family, or their particular friends. Usually they accomplishing activity like watching television, gonna beach, or picnic inside park. They actually doing same every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? May be reading a book may be option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to try out look for book, may be the reserve untitled The Hospital for Sick Children Handbook of Pediatrics, 11e can be great book to read. May be it can be best activity to you.

Cleveland Bolton:

Are you kind of stressful person, only have 10 or even 15 minute in your time to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you have problem with the book when compared with can satisfy your short time to read it because this all time you only find publication that need more time to be read. The Hospital for Sick Children Handbook of Pediatrics, 11e can be your answer since it can be read by a person who have those short free time problems.

Jessica Wilson:

This The Hospital for Sick Children Handbook of Pediatrics, 11e is brand new way for you who has interest to look for some information as it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know or else you who still having tiny amount of digest in reading this The Hospital for Sick Children Handbook of Pediatrics, 11e can be the light food for you because the information inside this book is easy to get by anyone. These books build itself in the form which can be reachable by anyone, yep I mean in the e-book web form. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So there is absolutely no in reading a publication especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the item! Just read this e-book kind for your better life in addition to knowledge.

Michael Emery:

That reserve can make you to feel relax. This specific book The Hospital for Sick Children Handbook of Pediatrics, 11e was multi-colored and of course has pictures on the website. As we know that book The

Hospital for Sick Children Handbook of Pediatrics, 11e has many kinds or genre. Start from kids until adolescents. For example Naruto or Private investigator Conan you can read and think you are the character on there. Therefore , not at all of book are generally make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading that.
