Editorial Review

From School Library Journal

Kindergarten-Grade 2-*Amanda Pig* is back in another easy-to-read chapter book. At bedtime, she fears a monster, even though her family insists that there is no such thing. She just knows that a fearsome creature is lurking about-maybe under the bed or in the closet-ready to grab her. Slowly, with the help of her brother, who builds a monster trap, and with the loving support of her parents, Amanda overcomes her fear and realizes that she's "too big a pig to be scared of a little monster." Van Leeuwen captures childhood emotions perfectly and includes just the right amount of humor. With bright illustrations done in carbon pencil, colored pencils, and watercolor washes on every page, this book will delight the piglet's many fans.
