Education Studies: A Student's Guide From Routledge

Written specifically for students on Education Studies degree courses, yet also relevant for students on teacher training courses, *Education Studies: A Student's Guide* introduces a wide range of topics and issues, from knowledge and learning, and policy and schooling to the ways in which education is a force for change across the globe.

The book is split into three comprehensive sections which challenge our assumptions about education. It explores a wide range of perspectives on education in different countries and cultures, provides critiques of current policies and practice and analyzes learning and the nature of knowledge itself. Specific topics covered include:

- the global dimension in the curriculum
- cultural and religious plurality in education
- the effective teacher
- gender and educational achievement
- special educational needs and inclusion in mainstream schools
- ICT and learning for the future
- language, power and education.

With chapter summaries, questions for discussion and reflection and suggestions for further reading, *Education Studies: A Student's Guide* will be a valuable resource for all students of Education Studies as well as BEd and PGCE students.

Editorial Review

Review

'a handy collection for students ... As a first read on such a variety of important topics, the book makes a useful starting point and offers plenty of pointers for further study.' - *Ted Wragg, Times Educational Supplement*

'While aimed at teacher training students and other on education studies degree courses, this book has powerful resonances for all of us in schools: NQT, seasoned teacher, governor and headteacher alike ... Stephen Ward's book is a must for everyone on the brink of, or considering working in, education. It helps us to come to terms with the complexities of 21st century existence and helps teachers (aspiring or surviving) to a heightened perception of their role in influencing future generations to value and respect each other and the planet, which sustains us.' - *NUT Education Review*

'This book makes excellent and informative reading. It is a worthy addition to any Education Studies reading list...' - *www.escalate.ac.uk*

Users Review

From reader reviews:

Lester Jaworski:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each guide has different aim as well as goal; it means that publication has different type. Some people really feel enjoy to spend their time to read a book. They may be reading whatever they have because their hobby is actually reading a book. How about the person who don't like reading a book? Sometime, man or woman feel need book when they found difficult problem or exercise. Well, probably you should have this Education Studies: A Student's Guide.

William Chapman:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can share their idea. Guides can also inspire a lot of people. Lots of author can inspire their reader with their story or their experience. Not only the story that share in the publications. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some exploration before they write for their book. One of them is this Education Studies: A Student's Guide.

Roxie Lloyd:

Playing with family inside a park, coming to see the ocean world or hanging out with friends is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. 1 activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Education Studies: A Student's Guide, you can enjoy both. It is good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout folks. What? Still don't have it, oh come on its referred to as reading friends.

Lynn Jones:

Beside this Education Studies: A Student's Guide in your phone, it can give you a way to get nearer to the new knowledge or facts. The information and the knowledge you might got here is fresh through the oven so don't possibly be worry if you feel like an old people live in narrow small town. It is good thing to have Education Studies: A Student's Guide because this book offers to you readable information. Do you oftentimes have book but you rarely get what it's all about. Oh come on, that will not happen if you have this in the hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss that? Find this book and also read it from currently!
