Spinning Mambo into Salsa: Caribbean Dance in Global Commerce By Juliet McMains

Arguably the world's most popular partnered social dance form, salsa's significance extends well beyond the Latino communities which gave birth to it. The growing international and cross-cultural appeal of this Latin dance form, which celebrates its mixed origins in the Caribbean and in Spanish Harlem, offers a rich site for examining issues of cultural hybridity and commodification in the context of global migration. Salsa consists of countless dance dialects enjoyed by varied communities in different locales. In short, there is not one dance called salsa, but many.

Spinning Mambo into Salsa, a history of salsa dance, focuses on its evolution in three major hubs for international commercial export-New York, Los Angeles, and Miami. The book examines how commercialized salsa dance in the 1990s departed from earlier practices of Latin dance, especially 1950s mambo. Topics covered include generational differences between Palladium Era mambo and modern salsa; mid-century antecedents to modern salsa in Cuba and Puerto Rico; tension between salsa as commercial vs. cultural practice; regional differences in New York, Los Angeles, and Miami; the role of the Web in salsa commerce; and adaptations of social Latin dance for stage performance. Throughout the book, salsa dance history is linked to histories of salsa music, exposing how increased separation of the dance from its musical inspiration has precipitated major shifts in Latin dance practice. As a whole, the book dispels the belief that one version is more authentic than another by showing how competing styles came into existence and contention. Based on over 100 oral history interviews, archival research, ethnographic participant observation, and analysis of Web content and commerce, the book is rich with quotes from practitioners and detailed movement description.

Editorial Review

Review

"Deftly partnering her physical dancing presence with her theoretical investigations, the author poses significant questions regarding the competing perspectives of national and commercial interests relative to salsa...Highly recommended."--*Choice*

"...rich and well-executed and highlights the author's deep knowledge of the complexity and diversity associated with the development of salsa dance culture."--*Journal of Latin American and Caribbean Anthology*

"If you are interested in the globalization of Latin American culture, Latin American identity, or have ever tried to pick up the beat of a salsa song as you shuffle your feet, you should definitely pick up a copy of *Spinning Mambo into Salsa*."--*ReVista*

About the Author

Juliet McMains, Ph.D. is a dance scholar and artist whose work centers on social dance practices and their theatrical expression on competition and theatrical stages. Her first book, *Glamour Addiction: Inside the American Ballroom Dance Industry* (Wesleyan, 2006) won the 2008 Congress on Research in Dance Outstanding Publication Award. She is currently an Associate Professor in the Dance Program at the University of Washington in Seattle.

Users Review

From reader reviews:

Ruben Martin:

Many people spending their period by playing outside using friends, fun activity along with family or just watching TV the entire day. You can have new activity to invest your whole day by studying a book. Ugh, ya think reading a book will surely hard because you have to accept the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Mobile phone. Like *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* which is obtaining the e-book version. So , why not try out this book? Let's notice.

Nathanael Ma:

That book can make you to feel relax. This kind of book *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* was vibrant and of course has pictures on the website. As we know that book *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* has many kinds or category. Start from kids until teenagers. For example *Naruto* or *Investigator Conan* you can read and think you are the character on there. Therefore not at all of book tend to be make you bored, any it offers up you feel happy, fun and rest. Try to choose the best book for yourself and try to like reading this.

James Pierce:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* can make you experience more interested to read.

Eddie Patten:

A number of people said that they feel uninterested when they reading a book. They are directly felt it when they get a half parts of the book. You can choose the particular book *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* to make your reading is interesting. Your personal skill of reading skill is developing when you just like reading. Try to choose straightforward book to make you enjoy to study it and mingle the idea about book and examining especially. It is to be initially opinion for you to like to start a book and study it. Beside that the book *Spinning Mambo into Salsa: Caribbean Dance in Global Commerce* can to be a newly purchased friend when you're truly feel alone and confuse with what must you're doing of their time.
