Tacos: Recipes and Provocations By Alex Stupak, Jordana Rothman

Superstar chef Alex Stupak's love of real Mexican food changed his life; it caused him to quit the world of fine-dining pastry and open the smash-hit Empellón Taqueria in New York City. Now he'll change the way you make--and think about--tacos forever.

TACOS is a deep dive into the art and craft of one of Mexico's greatest culinary exports. We start by making fresh tortillas from corn and flour, and variations that look to innovative grains and flavor infusions. Next we master salsas, from simple chopped condiments to complex moles that simmer for hours and have flavor for days. Finally we explore fillings, both traditional and modern--from a pineapple-topped pork al pastor to pastrami with mustard seeds.

But *TACOS* is more than a collection of beautiful things to cook. Wrapped up within it is an argument: Through these recipes, essays, and sumptuous photographs by Evan Sung, the 3-Michelin-star veteran makes the case that Mexican food should be as esteemed as the highest French cooking.

Editorial Review

About the Author

Alex Stupak earned recognition as one of the world's most innovative pastry chefs while leading teams at progressive cuisine icons Clio, Alinea, and wd-50. But innovation only counts, he figured, if you push yourself out of your comfort zone, and so he left that world to cook Mexican food, a cuisine that captured his head and his heart. His restaurant Empellón Cocina earned him a James Beard nomination for Best New Restaurant in the country, and *Food & Wine* magazine named him a Best New Chef in 2013.

Jordana Rothman is a veteran of Time Out New York, where she held the reins as the magazine's Food & Drink editor for six years. She's a respected member of the national food writing community and a frequent contributor to print and digital publications such as *Food & Wine*, *Bon Appétit*, *New York Magazine*, *Cherry Bombe*, *MadFeed*, *Grub Street* and *Conde Nast Traveler*.

Users Review

From reader reviews:

Susan Roundy:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite book and reading a e-book. Beside you can solve your trouble; you can add your knowledge by the e-book entitled Tacos: Recipes and Provocations. Try to stumble through book Tacos: Recipes and Provocations as your good friend. It means that it can to be your friend when you feel alone and beside those of course make you smarter than ever before. Yeah, it is very fortuned in your case. The book makes you far more confidence because you can know almost everything by the book. So , let me make new experience in addition to knowledge with this book.

Yolanda Ocasio:

Book is to be different for each grade. Book for children till adult are different content. As we know that book is very important normally. The book Tacos: Recipes and Provocations seemed to be making you to know about other expertise and of course you can take more information. It is very advantages for you.
