Editorial Review

About the Author

Robyn Donald thinks that writing is like gardening. It's a similar process – creating landscapes for the mind and emotions from the seeds of ideas and dreams. Both activities can also lead to moments of extreme delight, moments of total despair, and backache! Robyn spends time researching as well as writing, and also finds time for her very large family which includes a loud, cheerful and ruthlessly determined ‘almost’ Labrador dog. Robyn lives in New Zealand.
