Clinton, Inc.: The Audacious Rebuilding of a Political Machine By Daniel Halper

Weekly Standard editor Daniel Halper provides a meticulously researched account of the brilliant calculations, secret deals, and occasionally treacherous maneuverings that led to the Clintons' return to political prominence.

In the twelve years since the Clintons left the White House, they have gone from being virtually penniless to multi-millionaires, and are arguably the most popular politicians in America—respected and feared by Republicans and Democrats alike. But behind that rise is a never-before-told story of strategic cleverness, reckless gambles, and an unquenchable thirst for political power.

Investigative reporter Daniel Halper uses a wealth of research, exclusive documents, and detailed interviews with close friends, allies, and enemies of the Clintons to reveal the strategy they used and the deals they made to turn their political fortunes around. *Clinton, Inc.* exposes the relationship between President Obama, the Bush family, and the Clintons—and what it means for the future; how Bill and Hillary are laying the groundwork for the upcoming presidential campaign; how Vice President Biden and other Democrats are trying to maneuver around her; Chelsea's political future; the Clintons' skillful media management; the Clintons' marriage and why it has survived; and an inside look at the Clinton's financial backers and hidden corporate enterprises.

Clinton, Inc. is the key to understanding America's most powerful political couple.

Editorial Review

Review

“The ‘Must Buy’ Book of the Summer.” (Hugh Hewitt)

“Daniel Halper is a such a good reporter, I’ve tried to hire him three times. Few people in Washington have better sources or a sharper eye for detail. Halper gets the story every time and, trust me, there’s a story here.” (Tucker Carlson, Co-Host, FOX & Friends Weekend, and Editor-in-Chief, The Daily Caller)

“Halper’s study is juicy and gossipy, yet scrupulously researched, drawing on numerous on-the-record conversations (as well as many not-for-attribution interviews) with prominent Democrats and Clinton insiders, past and present.” (Lloyd Grove, The Daily Beast)

“The Clintons reside at the peak of the American power elite. Halper explains, in riveting detail, how they got there and how they stay there. But Halper hasn’t just produced a must-read. He’s also opened an important--and disturbing--window into the current state of American politics and society.” (William Kristol, Editor, The Weekly Standard)

“If you think you know all there is to know about the Clintons, Daniel Halper proves you wrong. Read this highly informative, appropriately excoriating book about the once and perhaps-future First Couple--and consider yourself warned.” (Rich Lowry)

From the Back Cover

How did Bill and Hillary Clinton plot a comeback from the depths of disgrace to the pinnacle of American politics and the ranks of the global elite?

Thirteen years ago, Bill and Hillary Clinton left the White House under a cloud, dogged by sordid sexual scandals, a series of highly compromising investigations, and last-minute pardons that won widespread bipartisan condemnation. Even many Democrats were glad to see them go. Yet within just a few years Bill had secured a new reputation as a global humanitarian and Democratic Party elder statesman, and Hillary was running for president. Despite her 2008 loss to Barack Obama, Hillary bounced back to become one of the most powerful and respected figures in his cabinet. Along the way, she and Bill have gone from being virtually penniless to millionaires many times over.

Today the Clintons are among the most popular politicians in America—respected and feared by Republicans and Democrats alike. Their transformation has been so complete that it takes an effort to recall just how low their fortunes were a decade ago. Hillary is already the presumptive frontrunner for 2016, while Bill jets around the world dispensing advice, making deals and collecting huge fees. Meanwhile, Chelsea Clinton has emerged as a formidable public figure in her own right.

None of this happened by accident. Behind the Clintons' remarkable comeback is an untold story of strategic calculation, backroom deals, reckless gambles, and an unquenchable thirst for wealth and power.

In *Clinton, Inc.*, *Weekly Standard* reporter Daniel Halper compiles a wealth of research, exclusive documents, and candid interviews with former Clinton administration officials, senators, congressmen,

friends, allies, and former enemies of the Clintons to reveal how they rebuilt their reputations, reconstructed their political machine, and positioned themselves for even greater success. *Clinton, Inc.* describes in intimate detail how the Bill and Hillary partnership works: they are, in effect, dual CEOs of a single enterprise, often playing both sides of the street, sometimes at odds with each other, but always focused on the ultimate goal of reclaiming political power.

Halper provides new insights into their deals with Barack Obama and the inner workings of their surprising friendship with the Bush family; how the Clintons managed to pacify their once most bitter enemies; how Bill and Hillary are laying the groundwork for Hillary's upcoming presidential campaign; and how Vice President Biden and other Democrats are trying to maneuver around her. He reveals the Clintons' plans for Chelsea's future and the lengths to which they will go to protect her carefully cultivated image. Halper also reveals the secrets of the Clintons' skillful media management, the survival of the Clintons' marriage, as well as the Clintons' financial backers and hidden corporate enterprises. The book also discusses a comprehensive Republican effort to bring their ambitions to a halt.

Compulsively readable and filled with juicy scoops and inside information, *Clinton, Inc.* is the key to understanding America's most powerful political couple.

About the Author

Daniel Halper is the online editor of the *Weekly Standard*, where he covers elections, foreign policy, the White House, the State Department, and numerous other political topics. His writing has been featured in *Politico*, the *Jerusalem Post*, and the *Putnam County Courier*. He is a graduate of Tufts University.

Users Review
