Eagle Against the Sun: The American War With Japan By Ronald Spector

A stunning history of the war in the Pacific written by award-winning military historian Ronald Spector. Drawing on declassified intelligence files, an abundance of British and American archival material, Japanese scholarship and documents, and research and memoirs of scholarly and military men, Spector focuses on the major battles in the Pacific theater as well as the smaller details, from the various rivalries between branches of the U.S. armed services to the problems of command and allocating resources. Spector has written "the best one-volume history of that complex conflict" (*The New York Times*). Only now can the full scope of the war in the Pacific be fully understood.

Editorial Review

From Publishers Weekly

A historian at the Army Center for Military History, Spector concentrates on the problem of command in the Southern Pacific theaters, the rivalries between the various U.S. armed services and the problem of allocating resources. PW praised his ability to "show how even the most efficiently run campaigns unfold against a background of violent dispute." November

Review

"Spector has done the impossible and done it ,with dazzling brilliance. Mining a warehouse of material with absolute control, he has produced a superbly readable, insightful, gripping, unbiased one-volume history of the American-Japanese war that is at the same time a glorious celebration of the American spirit."

-- Clay Blair. front page. The Washington Post Book World

"The best one-volume history of that complex conflict... No other presents as balanced a view or provides such terse and searching analyses not only of the great battles but of half-forgotten aspects, such as the impact of blacks and female participants on the services...No future book on the Pacific war will be written without paying due tribute to Eagle Against The Sun."

-- Drew Middleton, The New York Times

"Clear, coherent, effective...this is an excellent book... likely to be for a long time to come the standard, comprehensive history of the Pacific Ocean War." -- Russell E Weighley, Temple University.

From the Inside Flap

Only now can the full scope of the war in the Pacific be fully understood. Historian Ronald Spector, drawing on newly declassified intelligence files, an abundance of British and American archival material. Japanese scholarship and documents, and research and memoirs of scholarly and military men, has written a stunning, complete and up-to-date history of the conflict.

Users Review

From reader reviews:

Lisa Gaither:
