## **Finding Favor With the King: Preparing For Your Moment in His Presence**

By Tommy Tenney

Tenney takes readers to Esther's pre-Islamic Persia to uncover the secrets that helped her win the heart and gain the ear of the king and save her people from destruction. A Jewish girl of no royal heritage was chosen to become the Queen of Persia. Was it her beauty alone, or did she know an important and mysterious truth? Tenney challenges his readers to move beyond formal petitions or even "storming the gates of heaven" to that intimate embrace of worship where the bride's petitions move the King's heart and where kingdoms, people, and situations begin to shift like pawns on a divine chessboard.

### Editorial Review

From the Inside Flap

"I find it incredible that when God wants something said to His church, He sends it out loud and clear, through many different vehicles, using ordinary people yet again, to do extraordinary things. This message of divine favor is being heralded across the earth, and this beautiful portrayal of the life of Esther, teaches us how to come before our King, being clothed in dignity and crowned in righteousness...how magnificently faithful is our God." - Darlene Zschech, "Shout to the Lord" songwriter, Hillsong Worship Pastor and author of *The Kiss of Heaven*
