**Good or God?: Why Good Without God Isn't Enough** By John Bevere

These days the terms good and God seem synonymous. We believe what's generally accepted as good must be in line with God's will. Generosity, humility, justice?good. Selfishness, arrogance, cruelty?evil. The distinction seems pretty straightforward. But is that all there is to it? If good is so obvious, why does the Bible say that we need discernment to recognize it? Good or God? isn't another self-help message. This book will do more than ask you to change your behavior. It will empower you to engage with God on a level that will change every aspect of your life.

*(Brian Houston)*

“When I read the stories of people who did unprecedented things out of love for God, I find myself longing to be among them. Good or God? speaks to what happens in the minds and hearts of those who truly embrace God’s best—rather than settling for easier counterfeits. If you share this desire to know and serve God in a radical way, I urge you to read this book.”

—John C. Maxwell, best-selling author and speaker
