### Mutant Year Zero From Modiphius

Mutant: Year Zero takes you to the world after the great Apocalypse. Humanity's proud civilization has fallen. The cities are dead wastelands, winds sweeping along empty streets turned into graveyards. But life remains. Among the ruins, the People live. You are the heirs of humanity but not quite human anymore. Your bodies and minds are capable of superhuman feats. You are mutants. The Mutant RPG franchise has three decades of rich history in Sweden, with the first edition released in 1984. This is the game that later developed into Mutant Chronicles to widespread acclaim. Now, for the first time, a version of the original, post-apocalyptic shade of Mutant is released to an international audience.
