## Rainwater By Sandra Brown

A romantic historical novel from New York Times bestselling author Sandra Brown, about an independent woman who runs a boarding house in Dust Bowl Texas.

Ella Baron runs her Texas boarding house with the efficiency of a ship's captain and the grace of a gentlewoman. She cooks, cleans, launders, and cares for her ten-year-old son, Solly, a sweet but challenging child whose busy behavior and failure to speak elicits undesired advice from others in town. Ella's plate is full from sunup to sundown. When a room in her boarding house opens up, the respected town doctor brings Ella a new boarder—the handsome and gallant Mr. David Rainwater—but Ella is immediately resistant to opening up her home to this mysterious stranger.

Even with assurances that Mr. Rainwater is a man of impeccable character, a former cotton broker and a victim of the Great Depression, Ella stiffens at the thought of taking him in. Dr. Kincaid tells Ella in confidence that Mr. Rainwater won't require the room for long: he is dying. Begrudgingly, Ella accepts Mr. Rainwater's application to board, but she knows that something is happening; she is being swept along by an unusual series of events. Soon, this strong-minded, independent woman will realize that the living that she has eked out for herself in the small bubble of her town is about to change, whether she likes it or not...

Racial tensions, the financial strain of livelihoods in cotton drying up into dust, and the threat of political instability swirl together into a tornado on the horizon. One thing is certain: the winds of change are blowing all over Texas—and through the cracks in the life that Ella Barron has painstakingly built. This is the story of a woman who takes her life's circumstances in both hands, but who will be forced to reckon with the chaos of her historical circumstances..

### Editorial Review

From Publishers Weekly

Starred Review. Bestseller Brown (*Smash Cut*) brings Depression-era Texas to vivid life in this poignant short novel. At the recommendation of Dr. Murdy Kincaid, Ella Barron, a hardworking woman whose husband deserted her, accepts David Rainwater, a relative of the doctor's, as a lodger at the boarding house she runs in the small town of Gilead, Tex. As the local community contends with a government program to shoot livestock and the opposition of racist Conrad Ellis, a greedy meatpacker, to poor families butchering the meat, Ella grows closer to David. Meanwhile, David becomes a special guardian angel to Solly, Ella's nine-year-old autistic son. Dr. Kincaid has gently suggested Ella put Solly in an institution, but she refuses to do so. Brown skillfully charts the progress of Ella and David's quiet romance, while a contemporary frame adds a neat twist to this heartwarming but never cloying historical. (Nov.)

Brown, a master of contemporary romantic suspense, makes a huge genre leap in her latest novel. Radically switching gears, she sets this gentle tale in Depression-era Texas. The historical setting is not her only departure from her tried-and-true formula; this bittersweet morality play also features a hardworking single mother, an autistic child, and a mysterious boarder with a terminal medical condition. The moment Ella Barron agrees to let a room to David Rainwater, her hardscrabble circumstances are irrevocably altered. As the townspeople, farmers, and ranchers struggle both economically and spiritually, a malevolent evil in the form of a menacing town bully threatens their tenuous hold on survival. Though initially suspicious of Mr. Rainwater, Ella falls passionately in love with a man she knows is doomed. When he makes the ultimate sacrifice to save her misunderstood son, he leaves behind a precious final gift and a lasting legacy of grace and compassion. Though Brown fans may initially balk, many will be irresistibly drawn in by this mesmerizing little fable. --Margaret Flanagan

Review

"Author Sandra Brown has the golden touch.... *Rainwater* has a deeply personal feel to it, and there's a careful, loving tone that carries through in its simplicity.... A beautiful little tale with an engaging, timeless feel that's as comfortable as warm apple pie. Here's hoping Brown writes in this style again." -- *Deseret News* (Salt Lake City)

### Users Review

**From reader reviews:**

**Larry Munoz:**

The feeling that you get from Rainwater could be the more deep you excavating the information that hide inside the words the more you get serious about reading it. It doesn't mean that this book is hard to recognise but Rainwater giving you buzz feeling of reading. The writer conveys their point in specific way that can be understood by anyone who read that because the author of this guide is well-known enough. This kind of book also makes your own vocabulary increase well. So it is easy to understand then can go along, both in printed or e-book style are available. We recommend you for having this particular Rainwater instantly.

**Roger Cooper:**

The e-book with title Rainwater has a lot of information that you can study it. You can get a lot of advantage after read this book.
