#### From the Back Cover

A friend in need . . .

After helping Toklo establish his own territory in the mountains, Kallik, Yakone, and Lusa were prepared to bid him good-bye. But Toklo has put his new life on hold, promising to see their journey through—and find Lusa a home among other black bears.

The four bears will have to move quickly in order to reach Great Bear Lake in time for the Longest Day Gathering. But when they stumble across an area packed with flat-faces, Lusa is separated from the group, and they must turn their efforts from travel to rescue.

Injured and in flat-face captivity, Lusa is caught up in memories of her time in the Bear Bowl. Lusa knows she is a wild bear now. But even if she can make her way back to the others, will she ever find a place where she truly belongs?
