### **The Marriage Contract** By Cathy Maxwell

He was a man exiled from society - handsome, unpredictable, and proud. Dark rumours surrounded his name. But Anne Burnett had signed a marriage contract binding her to Aiden Black, the Earl of Tiebauld. And although she'd never met him, she's determined to keep her word and make theirs a marriage in truth. Because a well-bred lady with little fortune to recommend her has no choice.

From the moment she arrived, Anne fell in love with Kelwin Castle and its roguishly handsome laird. By day, he instils a fierce loyalty in his people with his masterful ways...and by night, he tempts Anne to surrender her innocence to him. But while he is willing to offer his body, Aiden refuses to give Anne his heart...making her wonder what prevents him from truly claiming her as his wife.

### Editorial Review

Amazon.com Review

Setting: London and Scotland, 1815

Sensuality Rating: 7

Married by proxy to a man she's never laid eyes on, one who's rumored to be insane, at that, sensible Anne Burnett wonders what she's gotten herself into. When Anne arrives at her new home in the Scottish Highlands, she is greeted by a half-naked, blue-faced man wielding a knife. This, of course, is Anne's new husband, Aidan Black, the Earl of Thiebault. Thiebault is furious with his older sister's unwelcome meddling and is determined not to accept the bride so summarily dumped on him, no matter how appealing her direct manner, fine gray eyes, and womanly curves. But her husband didn't count on Anne's determination to finally have her own home, her own people, and her own place in the world. And he certainly didn't count on the gut-wrenching passion that flames out of control every time Anne comes near him. Maxwell's trademark humor, realistic dramatic scenes, and fast-paced storytelling is greatly in evidence in *The Marriage Contract*. Cathy Maxwell is definitely a rising star among romance authors. Keep an eye on her and enjoy! --Alison Trinkle

From Publishers Weekly

The sympathetic protagonists and engaging writing style characteristic of Maxwell's Regency romances will ensure that her latest (following *Because of You*, *Falling In Love Again*) will be well received by newcomers and loyal readers alike. Set in 1815, the narrative unfolds as plucky Anne Burnett, an impoverished orphan, is married by proxy to the Mad Earl Tiebault, Aidan Black, and sent to Castle Kelwin in Scotland to tell him the news. Handsome, powerful and eccentric (but hardly "mad"), Aidan is less than thrilled when he discovers that his sister arranged the marriage. Although he tries to send her back to London, stubborn, resourceful Anne digs in, winning over his clan. Slowly Aidan's life changes from the inside out, and he begins to doubt if he wants to send her back after all. Amusing and romantic by turns, the relationship is further complicated by a subplot involving a band of Jacobite rebels with whom Aidan becomes entangled, but the affair between the two sparring equals remains paramount. Despite the addition of an epilogue and an afterword, both unnecessary after such a well-wrought tale, this is a delicious read from an accomplished Regency author. (Feb.) Forecast: Maxwell mixes humor with meticulous characterization to create memorable stories. Since she's not the most prolific romance writer, her fans will be eager to get their hands on this rewarding Regency, though a generic cover doesn't add much to the book's appeal.

From Library Journal

Unendowed with great beauty or wealth, orphaned Anne Burnett agrees to marry a "mad man" she has never met. One who doesn't want her and resents his mother's having arranged the whole thing behind his back. However, she finds herself attracted to her wild Scots husband and determined to make the relationship work. A determined, intelligent heroine, an appealing, worthy hero who is more than he seems, and a plot filled with plenty of Scottish-English political conflict make this witty, gently humorous story a winner and one that Maxwell's many fans will be waiting for. Maxwell (A Scandalous Marriage) has written a number of lively, charming historical Regencies and lives in Virginia.

### **From reader reviews:**

#### **Charles Duda:**

What do you regarding book? It is not important along? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They have to answer that question simply because just their can do which. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this particular The Marriage Contract to read.

#### **John Beaulieu:**

As people who live in the particular modest era should be update about what going on or facts even knowledge to make these people keep up with the era which is always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice to suit your needs but the problems coming to a person is you don't know what kind you should start with. This The Marriage Contract is our recommendation to make you keep up with the world. Why, as this book serves what you want and want in this era.

#### **Timothy Bullock:**

Playing with family within a park, coming to see the sea world or hanging out with pals is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The Marriage Contract, you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout guys. What? Still don't buy it, oh come on its called reading friends.

#### **Sherry Nicholson:**

Do you like reading a guide? Confuse to looking for your favorite book? Or your book seemed to be rare? Why so many question for the book? But just about any people feel that they enjoy regarding reading. Some people likes looking at, not only science book but also novel and The Marriage Contract as well as others sources were given know-how for you. After you know how the fantastic a book, you feel desire to read more and more. Science book was created for teacher or perhaps students especially. Those textbooks are helping them to put their knowledge. In other case, beside science publication, any other book likes The Marriage Contract to make your spare time considerably more colorful. Many types of book like here.
