Editorial Review

Review

A wonderful book to share with toddlers and young children. Waiting for the arrival of a new sibling can be an exciting and sometimes confusing time, but there is so much that needs to be done, and Mum needs some help. The pictures are colourful and the text offers questions that promote conversation, which allow the emotions of having a new baby to be explored. A lovely book to share one-to-one with your child - perfect for both early years settings and parents alike.--Debra Barton "Nursery Education Plus" (09/01/2009)
