Editorial Review

From the Publisher

In 1994, DC Comics brought readers a landmark story featuring Batman. The Dark Knight has been Gotham City's protector for years, challenged by its many villains. But now there's a new villain on the scene, determined to conquer where others have failed. Known as Bane, he starts his campaign against Batman and Gotham by emptying Arkham Asylum, where so many of Batman's enemies are imprisoned and have spent their time plotting revenge. Almost single-handedly, Batman fights off these long-time opponents only to find himself so exhausted after it all that his strength fails him when Bane follows the onslaught to face Batman himself. Now Bruce Wayne is confined to a wheel-chair and must turn over his cloak and cowl to his apprentice, Azrael. But Azrael's philosophy of crime-fighting is much more violent and harsher than Batman's ever was. And now Bruce faces two challenges: the first is dealing with his incapacitation; and the second is dealing with Azrael who, it's become clear, is a loose cannon with an agenda all his own.

Users Review

From reader reviews:

Nick McAllister:

Book is actually written, printed, or highlighted for everything. You can recognize everything you want by a e-book. Book has a different type. As we know that book is important point to bring us around the world. Alongside that you can your reading proficiency was fluently. A guide Batman: Knightfall will make you to end up being smarter. You can feel more confidence if you can know about almost everything. But some of you think in which open or reading a new book make you bored. It is not necessarily make you fun. Why they might be thought like that? Have you trying to find best book or ideal book with you?

Belinda Bedard:

This Batman: Knightfall book is just not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is information inside this publication incredible fresh, you will get data which is getting deeper a person read a lot of information you will get. This particular Batman: Knightfall without we know teach the one who reading through it become critical in imagining and analyzing. Don't become worry Batman: Knightfall can bring once you are and not make your carrier space or bookshelves' turn out to be full because you can have it within your lovely laptop even cellphone. This Batman: Knightfall having great arrangement in word and also layout, so you will not feel uninterested in reading.

Michael Due:

Do you among people who can't read pleasurable if the sentence chained inside straightway, hold on guys this specific aren't like that. This Batman: Knightfall book is readable by you who hate the straight word style. You will find the info here are arrange for enjoyable studying experience without leaving also decrease the knowledge that want to deliver to you. The writer involving Batman: Knightfall content conveys thinking

easily to understand by a lot of people. The printed and e-book are not different in the written content but it just different as it. So , do you continue to thinking Batman: Knightfall is not loveable to be your top record reading book?

Minnie Rivera:

As we know that book is significant thing to add our information for everything. By a guide we can know everything we wish. A book is a set of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This book Batman: Knightfall was filled in relation to science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading a new book. If you know how big selling point of a book, you can sense enjoy to read a e-book. In the modern era like at this point, many ways to get book which you wanted.
