Benu By Corey Lee

The first book on San Francisco's three‐Michelin starred restaurant Benu and its chef Corey Lee, hailed by David Chang as one of the best chefs on earth.

Since striking out on his own from Thomas Keller's acclaimed French Laundry in 2010, Corey Lee has crafted a unique, James Beard Award‐winning cuisine that seamlessly blends his South Korean heritage with his upbringing in the United States.

Benu provides a gorgeously illustrated presentation of the running order of one of Lee's 33‐course tasting menus, providing access to all the drama and pace of Benu's kitchen and dining room. Forewords by Thomas Keller and David Chang are accompanied by additional short prose and photo essays by Lee, detailing the cultural influences, inspirations, and motivations behind his East‐meets‐West approach.

Editorial Review

Users Review

From reader reviews:

Stefanie Roach:

As people who live in typically the modest era should be up-date about what going on or info even knowledge to make these people keep up with the era and that is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This Benu is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Celeste Silver:

Do you one among people who can't read gratifying if the sentence chained in the straightway, hold on guys that aren't like that. This Benu book is readable through you who hate the straight word style. You will find the details here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to supply to you. The writer associated with Benu content conveys thinking easily to understand by lots of people. The printed and e-book are not different in the content but it just different in the form of it. So , do you nonetheless thinking Benu is not loveable to be your top record reading book?

Ettie Hardcastle:

Exactly why? Because this Benu is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of gains than the other book get such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I ended up you I will go to the book store hurriedly.

Ronnie Johnson:

Reserve is one of source of expertise. We can add our information from it. Not only for students but native or citizen have to have book to know the update information of year for you to year. As we know those publications have many advantages. Beside many of us add our knowledge, could also bring us to around the world. With the book Benu we can acquire more advantage. Don't one to be creative people? Being creative person must choose to read a book. Just choose the best book that ideal with your aim. Don't be doubt to change your life at this book Benu. You can more attractive than now.
