## **Editorial Review**

### **Review**

Instructor's Manual, Student Solutions Manual and Computerized Test Bank available. -- *The publisher, John Wiley & Sons*

### **From the Publisher**

A classic Wiley offering considered to be one of the most outstanding calculus textbooks. It has a terse and elegant mathematics presentation which appeals to those who are interested in leanness in exposition. The focus is on three basic concepts--limit, derivative and integral. Student-friendly, the book's mathematical statements are careful and precise and all important theorems are proved. This expanded edition incorporates modern technology and current trends without sacrificing its acknowledged strengths. Includes many examples and exercises.
