Pornography: Women, Violence and Civil Liberties From Oxford University Press

Does freedom of speech always play a more important role in society than the civil rights of certain members of that society? Is pornography an excuse to publish acts of violence? Many respected writers, both men and women, have contributed to this definitive collection of essays concerning pornography. Each has an individual view, but they all hold two beliefs in common: a passionate opposition to censorship and a vehement conviction that until pornography is eradicated, women's status can never be equal to men's. Thoroughly researched and passionately argued, these essays examine the possible causal links between pornography and rape, child abuse, and sexual inequality. Material from soft-porn to snuff movies is analyzed. This work includes interviews with alleged victims of pornography and professionals who have treated the alleged perpetrators of pornography-related violence. Contributors include Andrea Dworkin, Michael Moorcock, Catherine MacKinnon, James Check, Susanne Kappeler, Diana Russell, John Stoltenberg, Corinne Sweet, Tim Tate, and Ray Wyre. *The Case Against Pornography* is an important contribution to the anti-pornography debate.

Editorial Review

Review

"Reading *Pornography: Women, Violence and Civil Liberties* is an unsettling experience for a libertarian....The evidence that pornography can produce harm is pretty compelling."--*The Times* (London)

"The most sophisticated anti-porn arguments can be found in *Pornography: Women, Violence, and Civil Liberties*, a vast and impressive volume edited by Catherine Itzin....It is a comprehensive survey of all the old arguments and an invaluable introduction to new feminist thinking."--*Tribune*

"The book does represent a new *stage* in the anti-pornography campaign, inching the argument out of the feminist world--where, arguably it has been resoundingly defeated--into the wider legislative area."--*New Statesman*

"An important and long promised collection of essays."--*Everywoman*

"Presents in a comprehensive fashion one side of the debate over the regulation of pornography....Those who are most strongly in favor of non-regulation owe it to themselves and their followers to engage seriously with the essays in this volume."--*The Law and Politics Book Review*

About the Author

Catherine Itzin is an Honorary Research Fellow in the Violence, Abuse and Gender Relations Research Unit, Department of Applied Social Studies at the University of Bradford. She is a member of the Executive Committee of the National Council for Civil Liberties.

Users Review

From reader reviews:

Terry Kline:

In other case, little folks like to read book Pornography: Women, Violence and Civil Liberties. You can choose the best book if you like reading a book. Provided that we know about how is important a book Pornography: Women, Violence and Civil Liberties. You can add expertise and of course you can around the world with a book. Absolutely right, due to the fact from book you can realize everything! From your

country until eventually foreign or abroad you will find yourself known. About simple factor until wonderful thing you are able to know that. In this era, we can easily open a book or perhaps searching by internet unit. It is called e-book. You may use it when you feel fed up to go to the library. Let's read.

Willie Letchworth:

This book untitled Pornography: Women, Violence and Civil Liberties to be one of several books that best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit into it. You will easily to buy this particular book in the book retailer or you can order it through online. The publisher in this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Mobile phone. So there is no reason for you to past this reserve from your list.

Steven Deloatch:

Your reading sixth sense will not betray a person, why because this Pornography: Women, Violence and Civil Liberties publication written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written in good manner for you, leaking every ideas and producing skill only for eliminate your own personal hunger then you still skepticism Pornography: Women, Violence and Civil Liberties as good book not simply by the cover but also by content. This is one e-book that can break don't judge book by its include, so do you still needing an additional sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to yet another sixth sense.

Lisa King:

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Pornography: Women, Violence and Civil Liberties can make you really feel more interested to read.
