Radical Revisions: REREADING 1930S CULTURE From University of Illinois Press

Radical Revisions brings together some of the best and most exciting recent work on the literature and popular culture of the 1930s. Contributors examine a wide range of texts, from classics such as Tillie Olsen's *Yonnondio* to popular icons such as King Kong and largely ignored novels such as Josephine Herbst's *The Wedding*. Drawing on recent theories of gender, class, race, ethnicity, and representation, they reexamine texts previously brushed aside as artistically uninteresting or too popular to be taken seriously.
