**The Seven Storey Mountain** By Thomas Merton

A modern-day Confessions of Saint Augustine, *The Seven Storey Mountain* is one of the most influential religious works of the twentieth century. This edition contains an introduction by Merton's editor, Robert Giroux, and a note to the reader by biographer William H. Shannon. It tells of the growing restlessness of a brilliant and passionate young man whose search for peace and faith leads him, at the age of twenty-six, to take vows in one of the most demanding Catholic orders--the Trappist monks. At the Abbey of Gethsemani, "the four walls of my new freedom," Thomas Merton struggles to withdraw from the world, but only after he has fully immersed himself in it. *The Seven Storey Mountain* has been a favorite of readers ranging from Graham Greene to Claire Booth Luce, Eldridge Cleaver, and Frank McCourt. Since its original publication this timeless spiritual tome has been published in over twenty languages and has touched millions of lives.

### Editorial Review

#### Amazon.com Review

In 1941, a brilliant, good-looking young man decided to give up a promising literary career in New York to enter a monastery in Kentucky, from where he proceeded to become one of the most influential writers of this century. Talk about losing your life in order to find it. Thomas Merton's first book, *The Seven Storey Mountain*, describes his early doubts, his conversion to a Catholic faith of extreme certainty, and his decision to take life vows as a Trappist. Although his conversionary piety sometimes falls into sticky-sweet abstractions, Merton's autobiographical reflections are mostly wise, humble, and concrete. The best reason to read *The Seven Storey Mountain*, however, may be the one Merton provided in his introduction to its Japanese translation: "I seek to speak to you, in some way, as your own self. Who can tell what this may mean? I myself do not know, but if you listen, things will be said that are perhaps not written in this book. And this will be due not to me but to the One who lives and speaks in both." --Michael Joseph Gross
