*Accountability* will transform the way you manage, maintain, and motivate yourself, your team, and, ultimately, your workforce. As a business leader's guide to the best practices to turn longterm vision into reality, it introduces the Seven Pillars of Accountability and shows how each pillar is a crucial part of effective leadership:

- Character
- Unity
- Learning
- Tracking
- Urgency
- Reputation
- Evolution

Lack of accountability is the single greatest obstacle facing even the most experienced leaders. It saps morale, drains profits, and disenfranchises employees--and it can shift your team into crisis mode on a daily basis. Greg Bustin shares his own stories, including what he learned the hard way: if you are

not clear about everything--vision, values, objectives, strategy, rewards, and penalties--the likelihood of achieving your goals is slim. Bustin has tapped the experience of the senior leaders of the world's most respected organizations, and he shares their stories and advice in this book.

*Accountability* offers powerful concepts and practical examples you can apply in your organization along with provocative questions and useful exercises to help you create a high-performance culture in your workplace. It's a must-read for anyone who wants practical, actionable steps to build and grow a thriving business.
