I Love Type 08 - Times By Victionary

Originally commissioned by the British newspaper The Times in 1931 as a response to a critique of the previous typeface they used, the Times type family has become one of the most commonly used throughout the world. Distributed by Microsoft with every copy of Windows, it is widely used in publishing, and it became the official typeface of all U.S. government diplomatic documents in 2004. This brand new volume in the I Love Type series from Victionary is expertly curated to prove that this highly functional type family can be highly aesthetic and cutting edge when utilized by internationally respected designers for the incredibly creative design projects of all types featured within these pages - from fashion show invitations to hand-printed artist books to posters and art installations.
