### Editorial Review

From Publishers Weekly

According to *GQ* senior editor Rapkin, today's lively collegiate a cappella groups boast hip-hop repertory, professional vocal arrangements, competitions at Lincoln Center and a world shrunk by the Internet. During the 2006–2007 college season, Rapkin, an alum of a Cornell all-male singing club, followed three a cappella powerhouses: Divisi, an all-girl group from the University of Oregon, the testosterone-driven Hullabahoos of the University of Virginia, and Beelzebubs, from Tufts. Each is a collective with a score to settle, a tradition to honor. Robbed of a championship in 2005, Divisi wants payback; the Hullabahoos want respect without forfeiting their frat-boy charm; and the controversial Bubs want to hone their edge. Throughout, Rapkin engages with celebrity trivia (*Heroes'* Masi Oka sang a cappella at Brown) and music criticism. He profiles the cottage recording industry built from college a cappella. Most notably, he riffs through signature events and crisis moments with a snarky humor (onstage Divisi looks like the women in that Robert Palmer video) that turns each chapter into a picaresque progression toward graduation. Designating unaccompanied singing, a cappella literally means "like the chapel," appropriately since the form, Rapkin says, began with Gregorian chant. In the prologue, Rapkin cheerfully clambers through a cappella's roots and varied branches, from shape-note singing and call-and-response singing to barbershop and the folk-pop hit "The Lion Sleeps Tonight" and gospel classics by the Soul Stirrers with Sam Cooke. Yet a cappella has come fully to life on college campuses. While the phenomenon's "gold standard" remains the Whiffenpoofs, founded in 1909 at Yale, there are now more than 1,200 collegiate a cappella groups in the U.S. A cappella is the opposite of cool, Rapkin concedes, yet such now-famous folk as Diane Sawyer, Art Garfunkel, and Osama bin Laden (!) once sang in a cappella groups. The bulk of the book examines three current groups—the University of Oregon's all-female Divisi, the Tufts Beelzebubs of Tufts University, and the University of Virginia's Hullabahoos—as they compete against one another in a scenario that makes *American Idol* look rather tame. A fascinating, behind-the-scenes look at an underappreciated musical subculture. --June Sawyers
