River Road (The Callahan Brothers series Book 2) By JoAnn Ross

JoAnn Ross, one of the most passionate voices in contemporary romantic fiction, returns to the moss-draped splendor of *Blue Bayou* in a powerful novel of love and suspense, filled with characters you will never forget.

Julia Summers is in Blue Bayou, Louisiana, wrapping up her role on the sizzling soap opera River Road before jetting off to play the part of her dreams. But when she receives an all-too-real threat, her director saddles her with a no-nonsense FBI agent as protection. Free-spirited Julia figures she'll just use her feminine wiles to keep the handsome bodyguard out of her way.

Finn Callahan has no interest in baby-sitting a spoiled starlet, but he owes his brother, Blue Bayou's mayor, a favor. When danger closes in on Julia, Finn realizes that what he feels for her is much more than physical attraction. Now he'll willingly lay his life on the line for the woman who has shown him how beautiful life can be when it's filled with laughter and love.

Editorial Review

From Publishers Weekly

A sparkling combination of Southern charm and sexy pyrotechnics, the second book in JoAnn Ross's Callahan Brothers trilogy (following *Blue Bayou*) jazzes up a familiar formula. Having spent the last few years chasing down a serial killer, FBI agent Finn Callahan is less than thrilled when he's forced to take a leave of absence, but his return to his hometown of Blue Bayou, La., couldn't have been more timely. The cast of *River Road*, a popular prime-time soap, has descended upon the town and begun filming at a nearby mansion, and the show's gorgeous star, Julia Summers, is in need of a bodyguard. The romance between the by-the-book agent and strong-willed actress crackles, and their verbal sparring keeps the narrative moving at an energetic clip. Readers who have read the first book in this trilogy will be heartily entertained; those who haven't will rush out to buy it after savoring this delightful entry.

From [Booklist](#)

In the skillful and satisfying sequel to *Blue Bayou* [BKL Ap 1 01], Finn, after being temporarily suspended from the FBI for beating a serial killer, goes home, where his brother (and Blue Bayou mayor) Nate inveigles him into bodyguard duty for a soap opera actress, Julia Summers. The series is being filmed in the family's historic house, and the star is receiving threatening letters. To say that the two protagonists are oil and water is a vast understatement. Julia is the outgoing, beautiful daughter of two former hippies turned successful artists, whereas Finn, strong, handsome, and silent, is the stoical older brother who kept the Callahans together after their father was killed. At first he has a hard time distinguishing Julia from her character in the soap; then he has trouble fighting their mutual growing attraction. The inevitable happens, but not before a stalker takes a shot, and Julia almost walks out of Finn's life for good. With its emotional depth, Ross' tale will appeal to Nora Roberts fans. *Mary K. Chelton*
