Snow In April By Rosamunde Pilcher

When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another-the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us...

Caroline travels to Scotland, hoping to make contact with a brother she hasn't seen for years, and return in time for her wedding to the man her strong-willed stepmother thought so suitable. Then a sudden snow strands her in an isolated house with a young man recovering from tragedy. Both are on the brink of terrible mistakes, but perhaps they can save each other.

Editorial Review

Amazon.com Review

Unsure of her impending marriage, Caroline Cliburn travels to Scotland with her younger brother Jody in tow to rethink her feelings and investigate her older brother's disappearance. An inexperienced driver, Caroline crashes during an unexpected snowstorm. Virtually uninjured from the accident, Caroline and Jody walk to the nearest home, which happens to be the estate of Oliver Cairney, a wealthy London businessman who is in town taking care of his deceased brother's affairs. Oliver graciously asks the two to spend the night, and it is obvious from the start that the wealthy Londoner has eyes for Caroline. But when a neighbor thwarts any romance between the two by informing Caroline that Oliver is practically engaged, Caroline and Jody leave hastily, without even saying goodbye. But love always finds a way, and Caroline's sudden illness throws the two would-be lovers together once more.

At only 245 pages, *Snow in April* may be the perfect starting point for those readers intimated by Pilcher's lengthier prose. Even in this early work, it is easy to see why she has become a much-loved storyteller in her native Scotland and throughout the world. *Snow in April* is a sweet, touching read, sure to be enjoyed by connoisseurs of love stories everywhere.

About the Author

Rosamunde Pilcher is the author of such worldwide bestselling novels as *The Shell Seekers*, *September*, *Coming Home*, *Winter Solstice*, and *Voices in Summer*. *The Shell Seekers* was a Book Sense Book of the Year Honor Book. She is also the author of *The World of Rosamunde Pilcher*. Pilcher is an Officer of the Order of the British Empire (OBE). She lives with her husband Graham and their dog in Perthshire, Scotland.

Caroline is going to marry, and her little brother Jody, 11 years old, begs her to take him to their older brother, who is in Scotland. They leave a springtime London to find a wintry Scotland and a frosty Scot. Hannah Gordon is a joy to listen to, a consummate actress, but the story blithers along, drowning in descriptive passages. When dialogue appears, Gordon springs forth in excellence. Happily, there's an abridged version of this. But what a shame to miss this reader. S.B.S. (c)AudioFile, Portland, Maine

Users Review

From reader reviews:

Cornell Neal:

In this 21st century, people become competitive in every way. By being competitive at this point, people have do something to make these individuals survives, being in the middle of the crowded place and notice by simply surrounding. One thing that often many people have underestimated this for a while is reading. Yeah, by reading a publication your ability to survive raise then having chance to endure than other is high. For you personally who want to start reading a book, we give you that Snow In April book as beginning and daily reading reserve. Why, because this book is greater than just a book.

William Riser:

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is inside the former life are challenging be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you obtain the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen in you if you take Snow In April as your daily resource information.

Harold Bunch:
