The Greek & Latin Roots of English By Tamara M. Green

Over 60 percent of all English words have Greek or Latin roots; in the vocabulary of the sciences and technology, the figure rises to over 90 percent. Through the study of *The Greek & Latin Roots of English*, students can expand their knowledge of English vocabulary and also come to understand the ways in which the history of the English language have shaped our perceptions of the world around us.

The approach of this new fourth edition of *The Greek & Latin Roots of English* is thematic: vocabulary is organized into various topics, including politics and government, psychology, medicine and the biological sciences, literature, ancient culture, and religion and philosophy. Cumulative chapter exercises on tear-out pages reinforce both vocabulary already learned and analytical skills developed in previous lessons. This text will help students begin to learn not only vocabulary, but also the pleasures (and pitfalls) of language study.

Users Review

From reader reviews:

Joshua Smith:

The book The Greek & Latin Roots of English can give more knowledge and information about everything you want. Exactly why must we leave a good thing like a book The Greek & Latin Roots of English? Wide variety you have a different opinion about e-book. But one aim that book can give many data for us. It is absolutely appropriate. Right now, try to closer along with your book. Knowledge or details that you take for that, you can give for each other; it is possible to share all of these. Book The Greek & Latin Roots of English has simple shape however, you know: it has great and massive function for you. You can seem the enormous world by open and read a e-book. So it is very wonderful.

Daniel Johnson:

What do you about book? It is not important to you? Or just adding material when you want something to explain what you problem? How about your time? Or are you busy particular person? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question simply because just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is right. Because start from on pre-school until university need that The Greek & Latin Roots of English to read.

Ann Macdonald:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Greek & Latin Roots of English can make you experience more interested to read.

Ralph Rodriguez:

Book is one of source of understanding. We can add our know-how from it. Not only for students but additionally native or citizen require book to know the up-date information of year for you to year. As we know those ebooks have many advantages. Beside we all add our knowledge, can also bring us to around the world. By the book The Greek & Latin Roots of English we can get more advantage.
