### Cosmo's Red-Hot Sex Secrets: Tons of Naughty, Pleasure-Maxing Moves that Will Send You Both Over the Edge From Sterling Publishing

*Cosmo*'s first three books continue to fly off store shelves—and satisfy the amorous appetites of readers hungry for the kind of fresh, frank, and fun advice found in the magazine each month. Now *Cosmo* is coming out with its biggest offering to date: *Cosmo's Guide to Red-Hot Sex*. It's a gorgeously designed, 240-page book that tells young women everything they need to know to understand their own sexuality and have a truly fulfilling sexual relationship with the men in their lives.

Divided into four sections—Preplay, Foreplay, the Main Event, and Afterplay—the book reveals secrets to feeling sexier naked, how to make a man ache for you all day, amazing sexual techniques, and the key to taking sex to a deeper, more intimate level.

But make no mistake—this book is not just intended for lusty ladies. There are plenty of sexy tutorials for guys eager to please a woman in bed. Also sprinkled throughout this tantalizing package are tips for dealing with the carnal challenges that are bound to crop up.

Elegant (and tasteful), with an eye-catching cover, lush and sensual color photos, and accessible, instructional graphics, *Cosmo's Guide to Red-Hot Sex* looks as if it's meant for the coffee table. But it's better suited for the nightstand, since readers will want to keep all of the detailed information compiled here within fast, easy reach.
