## Miles: The Autobiography By Miles Davis

For more than forty years Miles Davis has been in the front rank of American music. Universally acclaimed as a musical genius, Miles is one of the most important and influential musicians in the world. The subject of several biographies, now Miles speaks out himself about his extraordinary life. Miles: The Autobiography, like Miles himself, holds nothing back. For the first time Miles talks about his five-year silence. He speaks frankly and openly about his drug problem and how he overcame it. He condemns the racism he has encountered in the music business and in American society generally. And he discusses the women in his life. But above all, Miles talks about music and musicians, including the legends he has played with over the years: Bird, Dizzy, Monk, Trane, Mingus, and many others. The man who has given us some of the most exciting music of the past few decades has now given us a compelling and fascinating autobiography, featuring a concise discography and thirty-two pages of photographs.

### Editorial Review

From Publishers Weekly

The brilliant bad man of jazz trumpetry unburdens himself of his hate and anger as well as of his good feelings about life, friendship, sex, drugs, women and cars. "On almost any score this is a remarkable book," observed PW. Photos.

Review

*The Atlantic* With *Miles*, Davis proves to be his own most perceptive critic. -- *Review*

About the Author

**Miles Davis** is forever the innovator, not only as a musician, but in other realms. His artistic impressions in oil paintings and sketches have drawn critical acclaim and have been shown in galleries around the world. "Sir" Miles Davis was inducted into the Knights of Malta in November 1988. In November 1984, he received the Sonning Music Award for lifetime achievement in music, and in March 1990, his twenty-fourth Grammy Award, this time for lifetime achievement in music.

**Quincy Troupe** is a poet, journalist, and teacher. He won the 1980 American Book Award for poetry. He has published essays and articles in *Essence*, the *Village Voice*, *Newsday*, *Spin*, *Musician*, and many other publications. He was the editor of *James Baldwin: The Legacy*, and is a professor at the College of Staten Island (City University of New York) and at Columbia University.

The authors received a 1990 American Book Award for *Miles*.

### Users Review

**From reader reviews:**

**John Beaulieu:**

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to understand everything in the world. Each e-book has different aim as well as goal; it means that e-book has different type. Some people truly feel enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby is reading a book. Consider the person who don't like studying a book? Sometime, man or woman feel need book if they found difficult problem as well as exercise. Well, probably you should have this Miles: The Autobiography.

**Bruce Parisien:**

What do you about book? It is not important along? Or just adding material when you really need something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? Every person has many questions above. They should answer that question mainly because just their can do which. It said that about book. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this particular Miles: The

Autobiography to read.

**Thomas Smith:**

Playing with family in a very park, coming to see the coastal world or hanging out with good friends is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Miles: The Autobiography, you could enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its referred to as reading friends.

**Rose Engle:**

Do you have something that you enjoy such as book? The reserve lovers usually prefer to pick book like comic, short story and the biggest one is novel. Now, why not striving Miles: The Autobiography that give your satisfaction preference will be satisfied by simply reading this book. Reading addiction all over the world can be said as the opportunity for people to know world better then how they react towards the world. It can't be said constantly that reading routine only for the geeky man or woman but for all of you who wants to possibly be success person. So , for every you who want to start studying as your good habit, you could pick Miles: The Autobiography become your current starter.
