### Morgan at Le Mans By David Dowse

Morgan, a quintessentially British car maker, has raced on and off at Le Mans since the early 1960s. The Malvern-based car manufacturer, famous worldwide for its 1930s-styled sports cars, came screaming into the 21st century with the Aero 8 model in 2002, and it was successfully raced at Le Mans, winning its class in 2003. The story of Morgan at Le Mans is one of trial and tribulation, of triumph against adversity, of true British grit and determination with an old-style racing team and cars capable of being driven to the race track, just like the good old days.
