Poster Boy By Anne Tenino

It's all fun and games until someone puts his heart out.

After being outed to his hockey team and then changing schools, Jock figures he's due for something good—like the sex he missed out on in the closet. Toby, the hot grad student he meets at a frat party, seems like a great place to start, and their night together is an awesome introduction to the fine art of hooking up.

Toby's heart takes a bruising after the near-perfect experience with Jock leads to . . . nothing. He's been left on the outside as his friends pair up into blissful coupledom, and he's in danger of never completing (or starting) his thesis. Can't something go right?

Then Toby's coerced into chaperoning a Theta Alpha Gamma trip to France. Not that he's complaining. What better place to finish his thesis and get over that frat boy? Except Jock's outing is leaked to the press, turning him into an unwilling gay rights martyr, and he decides France would be a great escape, too. It's a break from reality for both guys, but they soon find their connection is as real as it gets.
